

Welcome to Church on the North Coast!

We are a church that places the highest priority on pursuing a thriving relationship with a loving and limitless God, as we simultaneously love one another with the same passion. As a multi-generational and multi-cultural group of Believers, we are accepting of all people and committed to the process of their salvation, indiscriminate of status, worldview, ethnicity, gender or political affiliation. We value the teaching of God's Word and weekly fellowship as we worship together in our gatherings, believing that there is power available when we worship corporately. We invite you to join us as we discover what Heaven looks like when it appears on earth!
